We hope to trial this form for the 2004 season, and if adopted and ratified by The Surrey Downs League Committee we will consider using from the 2005 season. We have designed this form to enable all match data to be quickly published @ SurreyDowns.Org

This of course will depend on the number we receive, but we would hope to receive every single match. E.g to allow publication at SurreyDowns.Org – You will need one of these per innings?

Can you PLEASE email this completed form to [paul@surreydowns.org](mailto:paul@surreydowns.org)
