

TADWORTH CRICKET CLUB COLTS 2008

Reproduced with the full knowledge of Robbo and the TCCC Committee.

Coaching – what is new in 2008?

This season we will be increasing the number of ECB qualified coaches in Paul Griffiths' team. We are pleased to announce a major coup for Tadworth as Spencer Stephens joins us from coaching at Banstead CC & Surrey Colts along with Neil Mander who has bowled against the last West Indies touring party.

To enable the coaches to provide more individual attention we will need more ad hoc help from parents (you don't need to know anything about cricket as you will be told what to do). So please volunteer when you register even if you can only offer a couple of dates.

When can we register for the new season?

Registration will be on Sunday 27th April from 12 noon preceded by a charity walk in aid of the British Heart Foundation and TCC colts. The walk will start at 10am. And there will be a BBQ afterwards. There will then be the first Sunday match of the season (come and see how the game is really played!).

Please register as early as possible (attached). For the past 3 seasons we have closed our Colts membership within the first 3 weeks. So please register early. We will give priority to 2007 members who register on or before 27th April.

When does the season start?

The season starts on Friday 2nd May. Session times will be: 6pm until 8pm for year 3 and above, Years 1 and 2 (Under 6 & 7) 6pm until 7.30pm.

Coaching/Umpiring/Help required

As the colts section grows and to support our efforts to increase the amount of small group coaching so does the need for help at all levels. On the registration form is a space for you to offer help with anything from coaching, "crowd" control, sponsorship and registration to pulling pints.

Parental Consent Form

There is attached a form that must be signed and returned with the membership/registration form.

Subscriptions

In recognition of the Colts section now being the largest part of the club and to give you a voice in the running of the cricket club then a new category of membership, called *family membership* has been introduced. This membership costs £100 and entitles your family to a full vote in the running of the club, 2 social memberships and the first Colt free of charge. Normal Colts membership is £50 for the first Colt and £30 for each subsequent child. Individual social memberships are available for £30. **We would encourage you to support the Colts and take up the family membership when registering for 2008.**

Colts Matches

We continue to grow with three teams now in the NEC league at U9 (year 4), U10 (year 5) and U11 (year 6). Matches for this will be on a Monday night for U9 and Sunday morning for U10 and U11. Selection for teams will be down to the managers.

However, our focus remains on providing high quality coaching and encouragement of the game to players of all standards. We also have managers who will be arranging other matches outside the league so that as many players as possible get a chance experience match play. The more people who are prepared to manage a team the more matches we can have, so please offer your services.

Equipment

Club equipment is available but it is advisable for all boys to have their own named box and to wear a jock strap or two pairs of briefs. All equipment and clothing should be named.

On the registration form is an order box for kit, there will be TCC branded shirts (£10), trousers (£10), rain jackets (£17.50), caps (£5) available. Please can you email Annika (annika@surreydowns.org) and indicate whether you would be interested in ordering so we can gauge numbers and have them ready for the start of the new season.

2008 Consent Form – 2008 Registration Form – Code of Conduct
